

# **Case Eaters User Manual**

## **1. Introduction**

Case Eaters is an application that connects students who are looking for food with students who have access to extra food. Students can report free food instances and extra meal swipes they may possess. Other students can then view these posts, browse through them on the map and list, and ultimately either claim a swipe or access free food around campus.

## **2. Getting Started**

### **2.1 Creating an Account**

1. Open the Case Eaters application.
2. Navigate to the home page.
3. Scroll down to the box that says “Create Account”.
4. Click “Go”.
5. Enter First Name, Last Name, Email, Password, and check the meal plan box according to user meal plan.
6. Click “Register” to create account.

### **2.2 Login**

1. Navigate to the home page.
2. Scroll down to the box that says “Login”.
3. Click “Go”.
4. Email and Password of registered account.
